THIS Hair Restorative is now acknowl-

cause, our hair has been gradually calling out, until entire baidness threatened us. We have tried va-rious remedies, but without any good result. We were induced to try your "Restorative" by hearing it highly Spoken of by those who had used it, and who assured us that it had the effect of bringing a new and vigorous growth of hair upon their heads. We have used it, and its good effects are plainly visible in the renewed growth of hair where we were fast becoming baid. We cannot recommend the Re-storative too highly. Yours, Yruly, WM. SWALEN,
